

PRELIMINARY APPLICATION INSTRUCTIONS

The shaded areas on the enclosed application are required information in order for the HRA to process your application. If these areas are not completed, your application will be returned to you. The areas that are not shaded are not mandatory for your application to be processed; however, filling out these areas will help the HRA fulfill reporting requirements for HUD. This in turn will help us improve our service to you.

In order to help eliminate confusion about our programs, we have brief descriptions of each program printed on the back of the application.

Low Rent Public Housing and Section 8 and SRO are all different programs and each program has their own waiting list. People are placed on the waiting lists by date and time of application. The services we offer do not include emergency housing nor is there any way to allow your name to go to the top of the lists any faster than by date and time of the application.

Thank you for your cooperation and if you have any questions, please feel free to call.
