Maintenance Mechanic

Description

Under the direction of the Property Manager and Lead Maintenance Mechanic, responsible for the overall maintenance and repair of assigned properties and equipment.

Duties and responsibilities

Performs a wide variety of maintenance duties required to maintain buildings, grounds, and equipment.

1. Completes daily and emergency service calls within established time frames; making necessary repairs to keep buildings, structures and equipment in safe and sanitary condition.
2. Maintains records of all maintenance service calls, including outcome, materials used and time involved, through the work order system.
3. Performs maintenance and repair work as directed. Areas of responsibility include, but are not limited to, structural, mechanical, plumbing, HVAC, electrical, painting, carpentry, cleaning and grounds keeping, as well as routine and preventative maintenance.
4. Prepare units for re-rental within the established time frame.
5. Maintain grounds throughout seasonal changes: lawn care, landscaping and snow/ice removal.
6. Call back duty as assigned. Assist in maintaining an after hours on-call response system and must be available to take emergency calls on a rotating basis.
7. If assigned, monitor boiler operations per state regulations. Perform needed repairs/adjustments immediately.

Develops and maintains effective working relationships.

1. Develops and maintains good working relationships with HRA staff, residents and the public.
2. Establishes and maintains effective working relationships with agencies and vendors providing services and materials.
3. Assists in resolving maintenance issues, complaints and/or refers to appropriate staff; respond to inquiries and explains procedures.

Performs other duties as assigned.
